Acknowledgement is made of the response and declaration filed in paper numbers 34 and 35. Claims 3 and 4 are pending. Amendments are entered. No claim is allowed at this time. The declaration under 37 CFR 1.132 filed in paper no. 35 is insufficient to overcome the rejection of claims 3 and 4 based upon US Patents as set forth in the last Office action. Rejections are maintained for the same reasons as set forth in our previous office action.

Applicant's arguments do not comply with 37 CFR 1.111(c) because they do not clearly point out the patentable novelty which he or she thinks the claims present in view of the state of the art disclosed by the references cited or the objections made. Further, they do not show how the amendments avoid such references or objections. The declaration will be reconsidered when the arguments and data would be focused in an appropriate manner.

Applicants must disclose all the pending applications and/or patents related to this subject matter.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory
